## TURKEY PLATTERS BENEFIT PARK FUND

300 to 400 Dine At Flannery's, Pennel, To Aid In Memorial Project

### GIVE ENTERTAINMENT

\*PENNEL, May 14—Pennel Memorial Recreation Park is to benefit considerably through the generosity and interest of the owner of Flannery's Restaurant, Mrs. Anna McCormick.

At Flannery's on Thursday evening, turkey platters were served, with funds, exclusive of expenses, going to the memorial park project.

Throughout the evening, men, women and children entered Flannery's and enjoyed a tempting dinner—the women of the local households also having an evening free from the kitchen.

Not only was there good food, but also entertainment. Moyer's string band provided music; there were organ numbers; then speciality dancing and accordion and other selections by local performers.

The Pennel Associated Business Men aided in the project. It is estimated that between 300 and 400 partook of the turkey platters.

## Issue Summons for Two Motorists Racing Here

Although the resurfacing of the municipal parking lot has just been completed, it is already proving to be a popular spot for jalopy racers. This morning shortly after midnight police were called to halt two youths who were driving their cars over the hard-surfaced area at a terrific rate of speed.

William Wolfinger, Croydon, was piloting his 1936 Ford sedan, and his rival for the speed record was Raymond F. Feeley, driving a 1936 Dodge.

The police did not turn in the name of the winner but the officers did turn in the racing drivers. Police today will issue summons for both drivers and they will be charged with reckless driving.

Officers Sackville and Angelo responded to the call but when they arrived all of the spectators had departed, but the two racing enthusiasts were still grinding off the miles.

Roger, who with his parents, spent his early life in Philadelphia, came to Bridgewater 13 years ago.

He had during his earlier years attended St. Thomas parochial school, Croydon, and later Bensalem township high school. He was in the U. S. Army for six months, being stationed at Fort Dix, N. J. For the past 3½ years he had been employed by Eppinger-Russell Co., Eddington, as a pole treater. Roger was a communicant of St. Thomas Aquinas R. C. Church, Croydon.

According to Mrs. Cullen, Roger had purchased the motorcycle three weeks ago, planning to use it this summer, then buy an automobile. "He had taken Thursday off from work and gone to Philadelphia to try to sell the motorcycle," she states. "He was on his way home, after stopping to visit friends in Cornwells Heights, when he was hurt," she adds. "We didn't want him to get a motorcycle, but he promised us he would be so careful."

Roger is also survived by the following sisters and brothers: Dorothy, Maureen, Phyllis, James, Edward and Thomas, all of Bridgewater. After Mrs. Smith's brother, Edward F. Mills, Jr., Croydon, was informed of the Smith-Cullen accident, he left for the scene of the accident. En route, while Mills is said to have been waiting to make a left turn off the Lincoln highway in Bensalem township, his car was struck in the rear by a machine operated by Lewis E. Wright, 47, of Primos, Delaware County. Wright was instantly killed, the result of a broken neck.

**NEW WORLDS EMERGING**

Prof. Earl Parker Hanson, head  
of the department of geography at  
the University of Delaware, is too  
much of an explorer himself to  
accept the pessimism of the scholars  
who predict that the population  
of the world must run away  
with the food supply.

He places his hope on the  
spreading of conservation techniques  
everywhere. He looks forward  
to the opening of great new  
food-producing areas through ex-  
ploration. And he looks far be-  
yond the filling of bellies. His  
book, "New Worlds Emerging,"  
not only is a brisk and lucid epita-  
ph on old-fashioned colonialism  
that milks "backward" lands for  
absentee owners—it sets forth the  
dynamics of the new philosophy  
of developing those lands.

Hanson's new worlds seem to  
be divisible into two categories:  
The fertile or mineral-rich, thin-  
ly-peopled areas, and the fertile,  
densely-populated areas. Of the  
first kind the Amazon basin and  
Canada are the most dramatic  
examples. Porto Rico and Java  
are cited to illustrate the latter  
kind.

Exploration, as he sees it, can  
and must take two forms. In the  
Amazon region vast natural re-  
sources are awaiting discovery  
and development to be followed  
by immigration. In densely popu-  
lated Java exploration must take  
the form of industrialization by  
capitalist methods.

End results in both kinds of  
areas would be much the same.  
More food would be produced for  
hungry peoples of the world. And  
self-sufficiency, balanced societies  
would arise where none have ex-  
isted for hundreds of years. The  
world—the Western world any-  
way—would be relieved of strains  
and pressures that could result  
disastrously.

One myth Professor Hanson  
wants to see scotched forever—  
that any habitable section of the  
world is either too hot or too cold  
for white men to live in. He's  
right, of course. With modern  
sanitation and proper clothing and  
food, the armed forces keep  
healthy both in the tropics and  
the arctic.

Hanson's new worlds are ex-  
citing ones.

Things are back to normal in  
Washington. The government has  
again succeeded in spending more  
than it takes in, although it now  
takes in more than \$40,000,000,  
000 a year.

A prominent producer says  
perfection has not yet reached the  
movies. But it has come a long  
way since Paul Revere's ride was  
shown with telephone poles in the  
background.

A new broom sweeps clean, but  
Congress has given no indication  
that it will buy the Hoover Com-  
mission broom.

"What will happen when Stalin  
dies?" asks an inquisitive colum-  
nist. Does he mean here or where?

# HIGH SCHOOL NINE TAKES 1ST PLACE IN LEAGUE RACE

Bristol High went into undisputed possession of first place in the Lower Bucks County League with a 6-5 win over Morrisville High yesterday afternoon on Memorial Park field. Council Rock was idle, its game with Bensalem being cancelled due to senior members of the Council Rock team being in Washington, D. C.

It marked the second time this season that the local baseballers triumphed over the Bulldogs. On May 14, it trimmed the Morrisville team, 7-4, on the latter's field.

Coach Gordon Davies started "Walt" Bucknum on the hill for the Bulldogs and for the first four innings, Bucknum had things his own way in the line of scoring. But in the fifth, Bucknum was hit hard and went off the mound, being relieved by "Bill" Powell. Powell was the losing pitcher.

Dave Muth went the distance for Coach Jerry Bloom's team. He was nipped for eight hits and after the first settled down to do a fine job of twirling. Muth had seven strikeouts to his credit. Bucknum whiffed three batters.

Bristol shoved over the winning runs in the last half of the sixth frame. With one gone, Muth singled and stole second. He scored on a hit by Marty Braam. Morrell hit to Powell who tossed him out at first. Seeing Braam dashing for third, Bucknum hurried his throw and threw wild, causing Braam to score the winning run.

The Warriors counted three runs in the fifth. Braam led off with a two-bagger and Morrell walked. Barbetta scored Braam with a hit. After Moll fled out, Frank Rich rapped out a double, counting Morrell and Frank Barbetta.

"Charlie" Johnson, left fielder for the losers, led the batters of the afternoon with a double and a pair of singles. John Marucci had two hits for Morrisville, while Braam and Joe Pindar each contributed two hits to the Bristol attack.

# TULLYTOWN A. C. WINS OVER ST. ANN'S TEAM

Tullytown A. C. broke into the win column of the Bristol Suburban Softball League by whipping the St. Ann's team, 13-8, last evening, on Memorial Park diamond. It was the second straight loss for the "Saints."

Hard hitting by the Tullytown team netted them the victory. It had to fight an up-hill battle to notch the win because of a St. Ann's rally in the third. Tullytown had a 6-3 lead until the Wood streeters scored their quintet of markers.

But the visitors scored in the fourth and sixth to even the count and then put the game in the bag by tallying five times in the last inning.

In that last inning, "Pete" Poalillo, St. Ann's hurler, had a bad streak of wildness. He walked Bakany but was tapped for hits by Norman White and Gene Lynch. Tony Rappo also walked and after Carlen bounced out, Bill Leigh also drew a pass. Roy Lynch got on via an error and "Blondy" Biancosino clouted out a two-base blow. It was Biancosino's third safe hit of the game.

White scored three of the winners' runs, while Gene Lynch drove in four with his two hits. "Moonie" Denny and Schriber had two hits each for St. Ann's. "Mike" Bakany, Tullytown's moundsman, gave the losers but six hits.

# ST. ANN'S WINS 1ST LEAGUE GAME; DEFEATS LEADERS

TRENTON, N. J., May 14 — St. Ann's A. A. made a very impressive debut in the Trenton Industrial League, last evening, as it walloped the league-leading Michalski nine, 11-2, on Wetzel field.

The Bristol Suburban League champions really clouted the ball solidly in getting nine hits off three Michalski hurlers. Included in the nine blows were home runs from the bats of "Rabbit" Palumbo and Fred Schuttheis. Both of the four-base knockouts came when two runners were on base.

Palumbo's drive in the fourth was a tremendous hit that rolled between left and center for a distance of 350 feet to the fence. "Lou" Sassi and Schuttheis were on base at the time. Schuttheis' homer cleared the fence in center field, a distance of 322 feet from home plate.

Besides his home run, Schuttheis hurled a fine game, limiting the Trenton team to six hits. He set down four via the strikeout route and walked three.

Soltz started on the peak for the Jersey team and gave way to Soss in the fifth inning. Soss left the mound after Schuttheis got his four-base clout. Fred Michalski, manager of the losers, pitched the last frame.

During the seventh inning uprising, the "Saints" scored seven times. Palumbo was up twice in this canto and drew a walk each time. "Lou" Mari had a two-bagger; Bert Barbetta, a single; "Chick" Ciarella, a double; Sallustio, a one-base blow, and Schuttheis, his homer.

Up until last evening, Michalski's had won five games and lost one. Lineups:

## ROGER N. CULLEN, JR., BRIDGEWATER, DIES AS RESULT OF MOTORCYCLE AND AUTO CRASH 11 HOURS PREVIOUS

20-Year-Old Youth Said to Have Been En Route Home from Philadelphia After Attempting to Sell 'Cycle—Makes Second Fatal Crash Within 15 Minutes in Which a Brother and Sister Are Involved.

BRIDGEWATER, May 14—A local youth, said to be en route home from a trip to Philadelphia where he had attempted to sell his motorcycle, died yesterday afternoon as the result of an accident which involved his 'cycle and an automobile 11 hours previous.

## TURKEY PLATTERS BENEFIT PARK FUND

300 to 400 Dine At Flannery's, Penndel, To Aid In Memorial Project

## GIVE ENTERTAINMENT

PENNDL, May 14—Penndel Memorial Recreation Park is to benefit considerably through the generosity and interest of the owner of Flannery's Restaurant, Mrs. Anna McCormick.

At Flannery's on Thursday evening, turkey platters were served, with funds, exclusive of expenses, going to the memorial park project. Throughout the evening, men, women and children entered Flannery's and enjoyed a tempting dinner—the women of the local households also having an evening free from the kitchen.

Not only was there good food, but also entertainment. Moyer's string band provided music; there were organ numbers; then specialty dancing and accordion and other selections by local performers.

The Penndel Associated Business Men aided in the project. It is estimated that between 300 and 400 partook of the turkey platters.

## Issue Summons for Two Motorists Racing Here

Although the resurfacing of the municipal parking lot has just been completed, it is already proving to be a popular spot for jalopy races.

This morning shortly after midnight police were called to halt two youths who were driving their cars over the hard-surfaced area at a terrific rate of speed.

William Wallinger, Croydon, was piloting his 1936 Ford sedan, and his rival for the speed record was Raymond F. Feeley, driving a 1935 Dodge.

The police did not turn in the name of the winner but the officers did turn in the racing drivers. Police today will issue summons for both drivers and they will be charged with reckless driving.

Officers Sackville and Angelo responded to the call but when they arrived all of the spectators had departed, but the two racing enthusiasts were still grinding off the miles.

## ONE MAN'S OPINION

By Walter Kiernan

(Distributed by International News Service)

Life continues interesting... an anthropologist discovers we are all lopsided, an amateur inventor has turned out an oval wheel and we now have 61 transmitters beaming Russian programs which cannot be heard in Russia.

This proposal was made by Sen. McMahon... not to be confused with the man who invented the oval wheel.

Then George Allen wants to build a \$54,000 antenna to carry the programs which are not in the top thousand in any Moscow poll.

And the Russians have 150 transmitters busy turning the Voice of America into squeals, grunts, moans, bloops and whistles... indicating that they too know how to squander a ruble.

Eventually we may have 200 transmitters feeding programs into a Russian wavetrail of 600 scramblers.

That's why it's so difficult to understand why it took an anthropologist until now to realize that mankind is built lopsided.

### NEW WORLDS EMERGING

Prof. Earl Parker Hanson, head  
of the department of geography at  
the University of Delaware, is too  
much of an explorer himself to  
accept the pessimism of the scholars  
who predict that the population  
of the world must run away  
with the food supply.

He places his hope on the  
spreading of conservation tech-  
niques everywhere. He looks forward  
to the opening of great new  
food-producing areas through ex-  
ploration. And he looks far be-  
yond the filling of bellies. His  
book, "New Worlds Emerging,"  
not only is a brisk and lucid ep-  
itaph on old-fashioned colonialism  
but also sets forth the  
dynamics of the new philosophy  
of developing those lands.

Hanson's new worlds seem to  
be divisible into two categories:  
The fertile or mineral-rich, thin-  
ly-peopled areas, and the fertile,  
densely-populated areas. Of the  
first kind the Amazon basin and  
Canada are the most dramatic  
examples. Porto Rico and Java  
are cited to illustrate the latter  
kind.

Exploration, as he sees it, can  
and must take two forms. In the  
Amazon region vast natural re-  
sources are awaiting discovery  
and development to be followed  
by immigration. In densely popu-  
lated Java exploration must take  
the form of industrialization by  
capitalist methods.

End results in both kinds of  
areas would be much the same.  
More food would be produced for  
hungry peoples of the world. And  
self-sufficient, balanced societies  
would arise where none have ex-  
isted for hundreds of years. The  
world—the Western world any-  
way—would be relieved of strains  
and pressures that could result  
disastrously.

One myth Professor Hanson  
wants to see scotched forever—  
that any habitable section of the  
world is either too hot or too cold  
for white men to live in. He's  
right, of course. With modern  
sanitation and proper clothing and  
food, the armed forces keep  
healthy both in the tropics and  
the arctic.

Hanson's new worlds are ex-  
citing ones.

Things are back to normal in  
Washington. The government has  
again succeeded in spending more  
than it takes in, although it now  
takes in more than \$40,000,000,  
000 a year.

A prominent producer says  
perfection has not yet reached the  
movies. But it has come a long  
way since Paul Revere's ride was  
shown with telephone poles in the  
background.

A new broom sweeps clean, but  
Congress has given no indication  
that it will buy the Hoover Com-  
mission broom.

"What will happen when Stalin  
dies?" asks an inquisitive colum-  
nist. Does he mean here or where?

The American treasury follows  
the usual American custom. Rich  
on paydays, broke in between.

Almighty and Everlasting God, we come to Thee through Christ our Redeemer, and in the Holy Spirit. May we become so entrenched in Thee that in Thy quietness we shall be strong to overcome the confusion and clutter of worldly things, and be able to enjoy the things which Thou hast prepared for those who love Thee. HIGH SCHOOL NINE TAKES 1ST PLACE IN LEAGUE RACE

Bristol High went into undisputed possession of first place in the Lower Bucks County League with a 6-5 win over Morrisville High yesterday afternoon on Memorial Park field. Council Rock was idle, its game with Bensalem being cancelled due to senior members of the Council Rock team being in Washington, D. C.

It marked the second time this season that the local baseballers triumphed over the Bulldogs. On May 14th, it trimmed the Morrisville team, 7-1, on the latter's field.

Coach Gordon Davies started "Walt" Bucknum on the hill for the Bulldogs and for the first four innings, Bucknum had things his own way in the line of scoring. But in the fifth, Bucknum was hit hard and went off the mound, being relieved by "Bill" Powell. Powell was the losing pitcher.

Dave Muth went the distance for Coach Jerry Bloom's team. He was nicked for eight hits and after the first settled down to do a fine job of twirling. Muth had seven strikeouts to his credit. Bucknum whiffed three batters.

Bristol shoved over the winning runs in the last half of the sixth frame. With one gone, Muth singled and stole second. He scored on a hit by Marty Braam. Morrell hit to Powell who tossed him out at first. Seeing Braam dashing for third, Bucknum hurried his throw and three wild, causing Braam to score the winning run.

The Warriors counted three runs in the fifth, Braam led off with a two-bagger and Morrell walked. Barbetta scored Braam with a hit. After Moll fled out, Frank Rich rapped out a double, counting Morrell and Frank Barbetta.

"Charlie" Johnson, left fielder for the losers, led the batters of the afternoon with a double and a pair of singles. John Marcucci had two hits for Morrisville, while Braam and Joe Pindar each contributed two hits to the Bristol attack.

Paul Schmitt and Lane Conn, who twirled for Coach "Stan" Dick's team gave up three hits between them.

TULLYTOWN A. C. WINS OVER ST. ANN'S TEAM

Tullytown A. C. broke into the win column of the Bristol Suburban Softball League by whipping the St. Ann's team, 13-8, last evening, on Memorial Park diamond. It was the second straight loss for the "Saints".

Hard hitting by the Tullytown team netted them the victory. It had to fight an up-hill battle to notch the win because of a St. Ann's rally in the third. Tullytown had a 6-3 lead until the Wood streeters scored their quintet of markers.

But the visitors scored in the fourth and sixth to even the count and then put the game in the bag by tallying five times in the last inning.

In that last inning, "Pete" Posillo, St. Ann's hurler, had a bad streak of wildness. He walked Bakany but was tapped for hits by Norman White and Gene Lynch. Tony Rappo also walked and after Carlen bounced out, Bill Leigh also drew a pass. Roy Lynch got on via an error and "Blondy" Biancosino clouted out a two-base blow. It was Biancosino's third safe hit of the game.

White scored three of the winners' runs, while Gene Lynch drove in four with his two hits.

"Moonie" Denny and Schrieber had two hits each for St. Ann's.

"Mike" Bakany, Tullytown's moundsman, gave the losers but six hits.

ST. ANN'S WINS 1ST LEAGUE GAME; DEFEATS LEADERS

TRENTON, N. J., May 14 — St. Ann's A. C. made a very impressive debut in the Trenton Industrial League, last evening, as it walloped the league-leading Michalski nine, 11-2, on Wetzel field.

The Bristol Suburban League champions really clouted the ball solidly in getting nine hits off three Michalski hurlers. Included in the nine blows were home runs from the bats of "Rabbit" Palumbo and Fred Schuttheis. Both of the four-base knocks came when two runners were on base.

Palumbo's drive in the fourth was a tremendous hit that rolled between left and center for a distance of 350 feet to the fence. "Lou" Sassi and Schuttheis were on base at the time. Schuttheis' homer cleared the fence in center field, a distance of 322 feet from home plate.

Besides his home run, Schuttheis hurled a fine game, limiting the Trenton team to six hits. He set down four via the strikeout route and walked three.

Solitz started on the peak for the Jersey team and gave way to Soss in the fifth inning. Soss let the mound after Schuttheis got his four-base clout. Fred Michalski, manager of the losers, pitched the last frame.

During the seventh inning uprising, the "Saints" scored seven times. Palumbo was up twice in this canto and drew a walk each time. "Lou" Mari had a two-bagger; Bert Barbetta, a single; "Chick" Ciarella, a double; Sallustio, a one-base blow; and Schuttheis, his homer.

Up until last evening, Michalski's had won five games and lost one.
